

Dear Valued Patron;

The Thomas P. O'Sullivan IV Foundation is planning its **11th Annual Tom O'Sullivan Memorial Golf Classic to be held August 17, 2018** at Swope Memorial Golf Course. Our mission provides funding for cutting-edge research and raises awareness for early detection of colorectal cancer. All funds are distributed here in our own community. Your 2018 gifts and donations will go to a joint research project between The University of Kansas Cancer Center and Children's Mercy Hospital. There is a high-risk group of children that are predisposed to familial adenomatous polyposis. These children develop hundreds of polyps and if not treated are 100% likely to develop colon cancer in their lifetime. Understanding this condition will improve these children's lives and outcomes!

We are seeking donations in the form of gift certifications, gifts, golfers, volunteers, or monetary contributions to make our 11th event successful and we would appreciate your help! We truly are making a difference in our local community.

We appreciate your time and thank you for your consideration of our request. Please contact me to make arrangements.

In Gratitude,

The Thomas P. O'Sullivan IV Foundation Board of Directors
